<td>1. Graduates/Completers will be able to solve business problems using appropriate analytical techniques.</td>
<td>1. <strong>Direct Measure</strong> Comprehensive Exam (locally prepared) 50 m/c questions, 5 short answer questions BUS 230</td>
<td>75% of completers will demonstrate proficiency by scoring 75% or greater.</td>
<td><strong>Target was Met</strong> 100% of completers scored 75% or greater. Strengths: Students successfully discussed the 4 functions of business management: planning, organizing, leading and controlling: Weaknesses: Students were challenged by applying management principles to the corporate organization structure.</td>
<td>Based Upon Assessment Findings, Program faculty will 1) Provide additional learning activities in which students are guided in applying principles of good management to real world cases. 2) Enhance learning activities by inviting volunteer business partners; i.e. Hewlett Packard to facilitate discussion groups. 3) Use videos of business vignettes on Youtube to engage and stimulate students. 4) Use Discussion Forum functionality of Schoology to give continuous practice in formulating opinions on contemporary business issues.</td>

| 2. Graduates/Completers will be able to create well written documents on a business topic. | 1. **Direct Measure**  
Embedded Assignment  
Create a Business Plan for small local business.  
BUS 131/BUS 232 | 75% of program completers will score a minimum score of 4 on a 5 point scale rubric. With 7 Primary Traits. *(See rubric)* | **Target Not Met**  
*(Approaching)*  
Average Mean Score 3.5  
The mechanics of researching skills, developing, and writing for the business plan are still weak. | Based upon assessment findings, program staff will:  
1. Give more time in detailed discussion of each element of the business plan.  
2. Study good business plans in varied business ventures.  
3. Workshop (constructively critique) business plan in groups to identify ways and means to improve the business idea or analyze data sets more comprehensively. |

50 m/c questions  
BUS 236  
Fall, 2017 | 80% of completers will score 80% or greater | **Target Met**  
N = 6  
MAX 100%  
MIN 75%  
Aver 89% | Based upon assessment findings, program faculty will:  
1. Continue to provide frequent opportunities for students to apply concepts learned to authentic life experiences.  
2. Use Weekly |
Discussion orums in Schoology to keep students abreast of how the economics of the day impact their daily lives.
