When students embark upon the Southwestern Christian College (SwCC) campus for the first time, they begin a journey that will change their lives—forever.

It has a rich history of graduating ministers, elders, doctors, attorneys, school teachers, entrepreneurs, and other professionals—all who have become a part of an engaging spiritual and academically-driven environment that is much bigger than any one individual.

To ensure that the journey never ends for those students wanting to excel and create life-long friendships, The New Horizons Campaign was created as a safeguard to a sustainable future for the school. It is a six-year, comprehensive fundraising strategy to generate $7M on behalf of Southwestern Christian College by December 2025. In a joint effort by the President, Board of Trustees, Alumni, and Supporters, the campaign is endorsed as an opportunity for the alumni, friends, and supporters of SwCC to support this 70-year old institution.

The campaign provides the college with the means to increase its annual enrollment by offering an increased student experience with expanded courses and programs, degree offerings, and extended services to diverse populations.

Additionally, it will serve as a catalyst to increase staff remunerations, and update facilities.

We are reaching out to all SwCC Alumni to make a commitment to this effort. Please pledge to give $1,000 annually or $84 monthly. Our most critical need in the first year of this campaign is to raise $2M to replenish our endowment by $1M and to provide another $1M for infrastructure development.

Two thousand donors are needed to actualize the NEW HORIZONS CAMPAIGN goal. Your abundant display of love shown by your generous contributions will be highly valued.

Southwestern Christian College continues to endeavor to confer degrees upon leaders who will make a positive difference in our congregations, our communities, our country, and our world.
What will you do to keep Christian Education at the forefront among the Churches of Christ?

Southwestern Christian College—New Horizons Campaign
March 2019 to March 2020

A SIX-YEAR, COMPREHENSIVE FUNDRAISING STRATEGY
