

March 26, 2024

Dear High School Counselor,

Southwestern Christian College (SwCC) would like to invite your school and scholars to SwCC Preview Day on April 13, 2024, from 9:00 a.m. – 12:30 pm, located at 200 Bowser Cir., Terrell, Texas 75160. We will provide an 8:00 a.m. complimentary breakfast and noon lunch while offering campus tours, dormitory tours, a financial aid workshop, an admissions presentation, as well as athletic and choir tryouts. Please share this letter, available at [www.swcc.edu/previewday2024](http://www.swcc.edu/previewday2024), electronically with your junior and senior scholars as well as their parents/guardians.

SwCC Preview Day attendees will receive an admissions fee waiver as well as access to special scholarship opportunities. We will also provide gift bags for prospective scholar visitors, fun raffle giveaways, and you will be treated to performances by our internationally recognized and award winning acapella choir!

This is a chance for prospective scholars to see our newly renovated campus, meet our professors, and speak directly with scholars currently attending SwCC who can give them a first-hand perspective of the SwCC experience while answering any questions they may have.

We are also excited to share big changes happening on our campus:

- We are now offering 100% on-line classes
- We are now accepting international scholars
- We are now offering an Associate Degree in Criminal Justice

Please keep in mind that Southwestern Christian College offers a Local Incentive Scholarship to scholars who live within 60 miles of Terrell, TX and who also commute to campus. Once qualified for the program, Southwestern will accept a scholar's FAFSA as well as any additional grants they are able to receive, then waive the remainder of their tuition. From the vantage point of the family, the education is "free" to the scholar who will only need to cover costs such as books and fees.

To qualify for this scholarship, scholars must:

- complete their 2024-25 FAFSA (Free Application for Federal Scholar Aid)
- qualify for the Pell grant (they do not have to qualify for the maximum Pell amount)
- maintain a 2.0 GPA while enrolled at Southwestern Christian College

Come out and meet us on Saturday, April 13, 2024! Breakfast is served at 8:00 a.m. and our program begins at 9:00 a.m. sharp in our campus chapel. You can download an electronic version of our flyer and invitation letter by visiting <https://swcc.edu/previewday2024> and you can email Daniel Davis Clayton for more information at [daniel.clayton@swcc.edu](mailto:daniel.clayton@swcc.edu).

On the move,

Daniel Davis Clayton
